## Meet Our Judge

**Mr. Nicholas De Bedout, Bogota, Colombia**  
Born in Bogota, Colombia in 1969, Mr. De Bedout has been totally involved in the dog world ever since. His mother, Susy Skinar, bred outstanding Skye Terriers under the El Barril suffix for over forty years; they were known for their quality around the world. She was also an all breed judge.

Nicholas started breeding and exhibiting his whippets in 1975, gathering numerous titles in Colombia and abroad, reflecting well on his country.

For many years the Eucalyptus kennel, with a very limited breeding program, has produced many American Champions and Top Sighthounds in Colombia. To Mr. De Bedouts knowledge his is the only kennel in Colombia to have three generations of Best-in-Show winners, always breeder-owner handled.

He has also handled many Group First and Best In Show winners in almost every group. He co-owns and shows Havanese and Dobermans and at home there are still three Whippets, Skye Terriers and some lucky rescues.

Mr. De Bedout is licensed by the FCI to judge all breeds Internationally since 2009 and has judged in the USA, Argentina, Brazil, Venezuela, Colombia, Costa Rica, Mexico, Guatemala, Peru and has a future assignments in the US. We are thrilled to have him join us in Canada! Welcome, Mr. Nicholas De Bedout!
