Judge: **David Wong**, Australia

I was born to a family that always had Pointers and setters for hunting in the Colony of Hong Kong. My late father was a keen hunter and a great shot. When I was 13 years old he gave me a side by side Winchester 20 gauge model 21 (a rare gun now) to learn to shoot skeet at the HKGC as he was the President for many years. He also created the only gun licensee in Hong Kong and that lasted for decades from 1929. My sisters and I learned to do competitive shooting from when we were very young in skeet, trap and rifle competition. We hunted partridges, snipe, duck and quail and woodcocks in the New Territories on Kowloon, Hong Kong. At that era the hills and the mountains were full of game and so very sparsely populated and the countryside was so beautiful.

We always had superb pointers and setters for hunting partridges. It was not until I finished Sydney University studies that I was introduced by some friends of other breeds to go to see dog shows in Sydney. After a few times, I was hooked to showing Pointers. My late father was most annoyed with me to show dogs instead of using the dogs solely for hunting leisure.

My luck came when I read and saw the English Field and Country Life magazine in the early 1964. There were two to three pages written on the well-known Crookrise Pointers owned by Walter Edmondson at Skipton, Yorkshire. Walter was about to die with cancer and so the two magazines wrote such an alluring life of this famous man and his Pointers with some beautiful photographs of Crookrise Vogue, Crookrise Duncanson and Crookrise Briar. Those few dogs caught my heart and soul at once.

Being young and wanting to own such type of Pointers I was fortunate enough to get hold of Kitty Edmondson by phone to her home at the Gardens House near Skipton. From the moment when I called, Kitty and I became friends for over 30 years or more. Our relationship developed into trusting friendship till nowadays even after her passing. I had her beautiful dogs and also bred some beautiful dogs that had won BIS not just for myself but for others. I also trained them for the gun and my dual purpose devotion took me to grouse shooting by the kind invitation of Lady Jean Fforde of Isle of Arran fame. My father gave me a Churchill side by side 12 gauge shotgun to take to Scotland to grouse shoot on Arran together with hunting jacket, breeches and boots. Through the famous Crookrise Pointers of Kitty Edmondson and her daughter Cicely Robertshaw I also met many prominent pointer breeders and judges of various breeds who became my mentors in UK. I learned so much from them and their dogs. Without them I would never be successful as I am today.

I am qualified to judge all breeds of Gundogs and Hounds. I judged Crufts, American Pointer Club National and The Southern Pointer Club championship show twice in England. I judged in various championship shows in England and Scotland, Sweden, Finland, Netherlands, Switzerland, Spain, Portugal, Gibraltar, Ireland, Hong Kong, Australia.

Such is my brief story of my dog life.

Sweeps and Veteran Sweeps Judge: **Caroline Thibodeau**, Canada

I was born into a dog breeding family. My grandparents had American Cockers, Borzoi and Pekes and I was led down that garden path at a very early age. I began in dog shows in obedience with an American Cocker but soon met Audrey Benbow and her wonderful hounds and began going to shows with her and helping to show from the time I was about 12. My first show dog of my own was an Italian Greyhound that Audrey gave me, soon followed by an English Cocker., When I was ready for some large dogs, Audrey gave me my first two Borzoi and mentored me until she died.

I have owned and shown Borzoi, English Cockers, Italian Greyhounds, Bearded Collies and most recently Pointers. I have had Westminster winners, No. 1 ranked dogs in their breeds in Canada and multiple BIS, BISS, National Specialty winners and group winners. It is an honour to judge Pointers and Borzoi at Erie Shores, one of Canada's premier events.
