

# BORZOI CANADA

## CODE OF ETHICS

I will support my club to the best of my ability and treat everyone and their dogs with a dignity and respect that reflects favorably upon myself and my club.

I will breed in accordance with the Canadian Kennel Club standards, rules and regulations to attempt to better the breed.

I will try, as much as possible, to control the breeding of all stock, sold or otherwise. I will not supply stock to wholesalers, retailers, or for raffles.

I will explain to all newcomers to the breed, the pros and cons of owning and breeding Borzoi.

I will never sell nor give away a breedable animal that is unhealthy or genetically unsound, either physically or mentally.

Basically, I will do unto others as I would have them do unto me.

I hereby apply for membership in Borzoi Canada, agreeing to abide by the Code of Ethics, understanding that doing so grants me membership in good standing.
